Hi Isaac. Since we had talked about this, I wanted you to know that Kimeka had reached out as well...

All the best,

Erin

Kimeka,

BOEM uses the Notice of Intent to alert all interested parties that an EIS has been initiated. The NOI includes the information that we use to consider requests for cooperating agency status.

If EPA has a need to be a cooperating agency and the criteria are met, then we are inviting EPA to play a role in the creation of the document.

Thanks for your interest,
Gary

Mr. Goeke,

The Notice of Intent to prepare an Environmental Impact Statement has been received. Please let us know if BOEM is inviting EPA to become a cooperating agency.

If you have any questions, please let me know.
